WORK EXPERIENCE

MCT Project - Design Studio

Como, Italy

Fire prevention

Apr 2022 - present

- Conducted site inspections and surveys in garages and boiler rooms to ensure compliance with fire prevention regulations
- Prepared as-built drawings and descriptive reports related to upgrade and compliance works

Contract specifications and Quantitative estimates

- Prepared technical specifications and bill of quantities based on standardized price lists

3D Modeling and Rendering

- Development of 3D building models for quantity take-off purposes
- Produced interior and exterior architectural renderings

Studio Attilio Terragni - Design Studio

Milan, Italy

Preliminary design

Jun 2023 - Jun 2024

- I followed the birth of the Segrate Open City project alongside with Attilio Terragni
- Produced exterior architectural renderings

Perelli Consulting srl - Design management

Milan, Italy

Project and Construction Manager

Dec 2022 - Apr 2023

- I worked alongside with CEO Pietro Perelli to an architectural competition
- Analyze the primary data to understand which had the most potential in a business plan
- Communication and relationship during business meetings with Ardian

Allford Hall Monaghan Morris - International Studio

Summer Internship

Morelands, London

Jun 2018 - Jul 2018

- I analyzed a building of my choice and designed a small residential home for a hypothetical client. I sketched ideas, developed spatial and volumetric solutions, and refined the design based on my supervisor's feedback. The internship ended with a physical model, helping me visualize the challenges and solutions

EDUCATION

Accademia Adrianea - Master in Architettura Museografia e Allestimento per l'Archeologia

Rome, Italy

Master's degree in Architecture and Museum design for Archeology

Mar 2022 - Mar 2024

- I won together with my group the "Premio Paola Mattioli" proposed by the Accademia Adrianea through the development of the final thesis of the Master's degree with the project Striving for Silence

Politecnico di Milano - Architectural Design

Milan, Italy

Master's degree in Architectural Design

Sep 2022 - Jul 2024

- Final grade: 110 cum laude
- Thesis title: I Tre Balconi

Politecnico di Milano - Architettura Urbanistica e Ingegneria delle Costruzioni

Milan, Italy

Bachelor's degree in Urban Architecture and Construction Engineering

Sep 2020 - Jul 2022

- Final grade: 110/110
- Thesis title: Green buildings a Milano, analisi del patrimonio certificato Leed 2011-2021
